Cupcake Sundae

24 cupcakes

12 6 oz party cups

Your Favorite Buttercream Icing

1 pkg Pirouline cookies

Each cup will take two cupcakes.

Layer your cup with ½ the cupcake and icing to the top of the cup.

You can top it with whipped cream or the remaining icing to make it look like a sundae. Top with candy to represent the cherry. You may add sprinkles if you wish.

Cut the Cookie in half and add to the sundae to look like a straw.
