Turtle Ice Cream Sandwiches

8-10 Ice Cream Sandwiches

1-8 Ounce container lite cool whip-thawed

Caramel ice cream topping

1 cups chopped pecans

2 Tbsp. butter

1 tsp. Kosher salt

In a sauce pan, melt the butter over medium heat. Add the pecans and toast, but do not burn for about 5 minutes. Sprinkle with the kosher salt and let cool completely, meanwhile, spray and 8x8 baking dish with a little cooking spray and line with Saran wrap (this will allow you to pull the dessert out neatly to cut it when it is frozen) Layer the bottom with ice cream sandwiches and cut some to fit if you need to. Layer with cool whip, drizzle with the caramel and chocolate and whip. Freeze for at least one hour. Remove the dessert from the pan using the saran wrap and cut into pieces. On a dessert plate, drizzle chocolate sauce, set the dessert in the middle, then drizzle with caramel and top with pecans.

Bake for 35 to 45 minutes in the preheated oven or until golden brown.
