- RE: 2017-18 5A-6A Regional Basketball Assignments

On Monday, February 12, teams who have been assigned to your regional shall meet at your school at 4:00 p.m. or have a conference call of the coaches or exchange email. Meetings may be held during school hours if a conference call is utilized. All schools must be represented to contribute to the preferential officials list.

The preferential officials list must be received by 12:00 noon on February 13. Instructions for accessing available officials and for submitting preferential lists are included with this posting. Please review before your regional tournament meeting communication and call our office if you have questions.

**Immediately** after receiving this letter, each tournament manager is requested to contact the coach of each school playing at your site to confirm the coaches meeting, coaches telephone survey or other method of communication. It is imperative that you contact each school to insure input for the tournament and selection of officials.

#### **Reminder for All Post-Season Basketball Tournaments**

Schools are required to have a minimum of two school officials seated with or near the student body at all games. The administrators shall check in with the tournament manager or at the scorer's table 15 minutes prior to game time.

All high school sites are asked to use your available scorebooks for each of your tournament games. If you do not have one available, please call our office and one will be mailed to you.

If you have any questions, please call our office.
