

Welcome to the Bartlesville Police Department

A Message from Chief Tracy Roles

It is a great honor to work alongside the men and women of the Bartlesville Police Department. It is also an honor to have the opportunity to serve such a wonderful city. I am amazed every day by the care and compassion of our community. I am further amazed by the desire of our community to be the very best it can be. The entire City of Bartlesville staff truly cares about the good of our great city and wants to be a real part of the solution.

2020 was a very unique year filled with new challenges. The Bartlesville Police Department staff persevered in the face of these challenges and continued to serve and protect our great city with dignity, professionalism and unconditional respect to all. The BPD staff is truly fortunate to serve such a supportive and amazing community. We are so thankful for the many positive partnerships that have been developed which enhances relationships and makes us all better.

We welcome 2021 and are excited about the many possibilities the year will bring. We are looking forward to the much needed upgrade to our communications system. We are looking forward to ramping our training programs back to the level we wish for. We are super excited about the opportunities to engage in the community to spread positivity. These things, along with many others, will serve as a road to the overall success of our City and our department. We love Bartlesville and we love serving our citizens and visitors. Thank you all for allowing us to serve and protect you as we all strive to make this a wonderful place to live and to work.

Sincerely,

Tracy D. Roles, Chief
Bartlesville Police Department

COMMAND STAFF

Chief Tracy Roles

Chief Tracy Roles joined the Bartlesville Police Department October 1, 2018. Chief Roles came to BPD after serving as the Police Chief in Anadarko, OK. Roles, from Ada, OK, has been a certified peace officer since 1999. Chief Roles has held many positions during his career, to include, Narcotics Detective, District Attorney's Investigator, SWAT Team member, Chief Medical Examiner Investigator and prison Warden. Chief Roles has a Bachelor's Degree in Criminal Justice and a Master's Degree in Administration of Justice and Security.

Chief Roles serves on the CLEET Advisory Council Board, the Executive Board of the Oklahoma Association of Chiefs of Police, the Advisory Board of the Salvation Army, the United Way Community Investment Committee and the Board of Trustees of the Bartlesville Boys and Girls Club. Roles is also a member of the Bartlesville Rotary Club, the Oklahoma Association of Chiefs of Police and the International Association of Chiefs of Police.

Chief Roles is married to Jessica and they enjoy traveling and spending time with their kids.

COMMAND STAFF (Cont'd)

DEPUTY CHIEF ROCKY BEVARD is a second-generation police officer for the Bartlesville Police Department. His father John Bevard, retired as Captain from BPD in the 1990's after serving nearly 30 years. Deputy Chief Bevard joined the Department February, 1986, as a Civilian Community Service Officer and was hired as a sworn Officer in July, 1987. D.C. Bevard has held several positions

in his career including Police Officer, Field Training Officer, Sergeant, Lieutenant, and Administrative Lieutenant overseeing municipal jail operations and the property and evidence section. He was one of the department's original members of the Special Operations Team. D.C. Bevard was promoted to Captain overseeing Patrol and Services Division in 2010. He served as Interim Operations Director of the Department two separate times during 2017 and 2018 during the Police Chief's absence and was promoted to Deputy Chief of Police in 2019. Bevard was 1996 Bartlesville Police Officer of the Year. He is a Law Enforcement Driver Training Instructor, a graduate of the Federal Bureau of Investigation 2012 National Academy 250th Session, and graduated with a Bachelor of Science in Criminal Justice from Oklahoma Wesleyan University in 2015.

SPECIAL ASSISTANT RICK SILVER began his career with the Bartlesville Police Department in 1988 as a Reserve Officer and was hired as a full-time Police Officer in 1989. Over the course of his 20-year career at BPD Silver was a Field Training Officer and a Sergeant in both Patrol and Investigations. He was promoted to the rank of Lieutenant where he was heavily involved in drug investigations and part of

the 11th Judicial Drug Task Force. Silver is a two-time Fraternal Order of Police Officer of the Year recipient and was awarded Narcotics Officer of the Year for the State of Oklahoma in 2007. He retired from BPD in 2008 after being elected Sheriff of Washington County. Silver served three terms as Sheriff. During that time he gained approval of the voters to build a new jail which came in more than 3 million dollars under budget. During his tenure he was a nominee for Sheriff of the Year for the State of Oklahoma. Silver retired as Sheriff in 2018 and was then hired by the Bartlesville Police Department as Special Assistant to the Chief of Police. Silver has a host of family, both past and present, dedicated to serving the citizens of Washington County.

COMMAND STAFF (Cont'd)

CAPTAIN JAY HASTINGS is a native of Bartlesville and holds an Associate's Degree in Business Administration. He joined the department as a Detention and a Reserve Officer in 1986 and was hired as a full-time Police Officer in 1988. He was assigned to the Patrol Division for 12 years during which time he also served as a Field Training Officer and as a member of the Special Operations Team. In 2000 he was promoted to Detective in the Criminal Investigations Division where he specialized in the areas of domestic violence, child abuse, narcotics and mental health. Hastings fostered a number of multi-disciplinary relationships with related community partners. While in Criminal Investigations he was promoted to Sergeant in 2003 and Lieutenant in 2006. Following his attendance and completion of the FBI National Academy in 2008, Hastings was promoted to Captain of CID as well as Public Information Officer for the department. In 2019 he was assigned as Captain of the newly-formed Special Operations Division and currently oversees the department's hiring process, officer training and equipment, Reserve and Explorer programs, property and evidence, Serious Accident Response Team, Traffic Enforcement Unit, School Resource Officers, Firearms Instructors and gun range, Criminal Investigations Division, and serves as Project Manager for the Police software program.

CAPTAIN KEVIN ICKLEBERRY is a Bartlesville native and holds an Associate's Degree from Oklahoma Wesleyan University. He joined the department as a Reserve Officer in 1989 and served in that capacity until he was hired as a Deputy for Washington County Sheriff's Office in January 1995. In December 1995 he was hired by BPD as a full-time Police Officer. During his 24-year career with BPD Ickleberry was promoted to the Criminal Investigations Division where he served as a Detective, Sergeant and Lieutenant of that Division. In 2012 he left the Investigations Division to serve as the Lieutenant of the Services Division where he supervised the E-911 Communications Center. He has also served as Commander of the Special Operations Team, a Crisis Negotiator, Training Lieutenant, and Captain of the Special Operations Division responsible for the School Resource Officers, Honor Guard, SOT, Serious Accident Reconstruction Team, Community Impact Team, Police Reserve Officers, and Explorer Scouts. Ickleberry is currently assigned as Captain of the Patrol Division. He serves as a CLEET instructor and is a member of Crisis Negotiators of Oklahoma, the Bartlesville Public School Safety Committee, the Boys & Girls Club Safety Team, and past member of the Suicide Prevention Coalition and Neighborhood Watch.

CAPTAIN KELLEY THOMAS is a native of Bartlesville. He joined the Bartlesville Police Department in 1991 as Animal Control Officer and later became a Detention Officer. Thomas was hired as a Police Officer in 1995, appointed Field Training Officer in 2008, and then promoted to Patrol Sergeant in 2009. He was promoted to Captain of the Criminal Investigations Division in 2019, then transferred to Captain of Patrol in March 2020. Prior to joining the department he was self-employed as a carpet installer, as well as co-owner and operator of a feed store. Thomas is a long-time member of East Bartlesville Christian Church where he serves in a variety of ways and volunteers at the Bartlesville Boys and Girls Club as a part of the Cook Team.

ADMINISTRATION

Beth Gray
Sr. Administrative Assistant

Margo Elliott
Sr. Administrative Assistant - Payroll

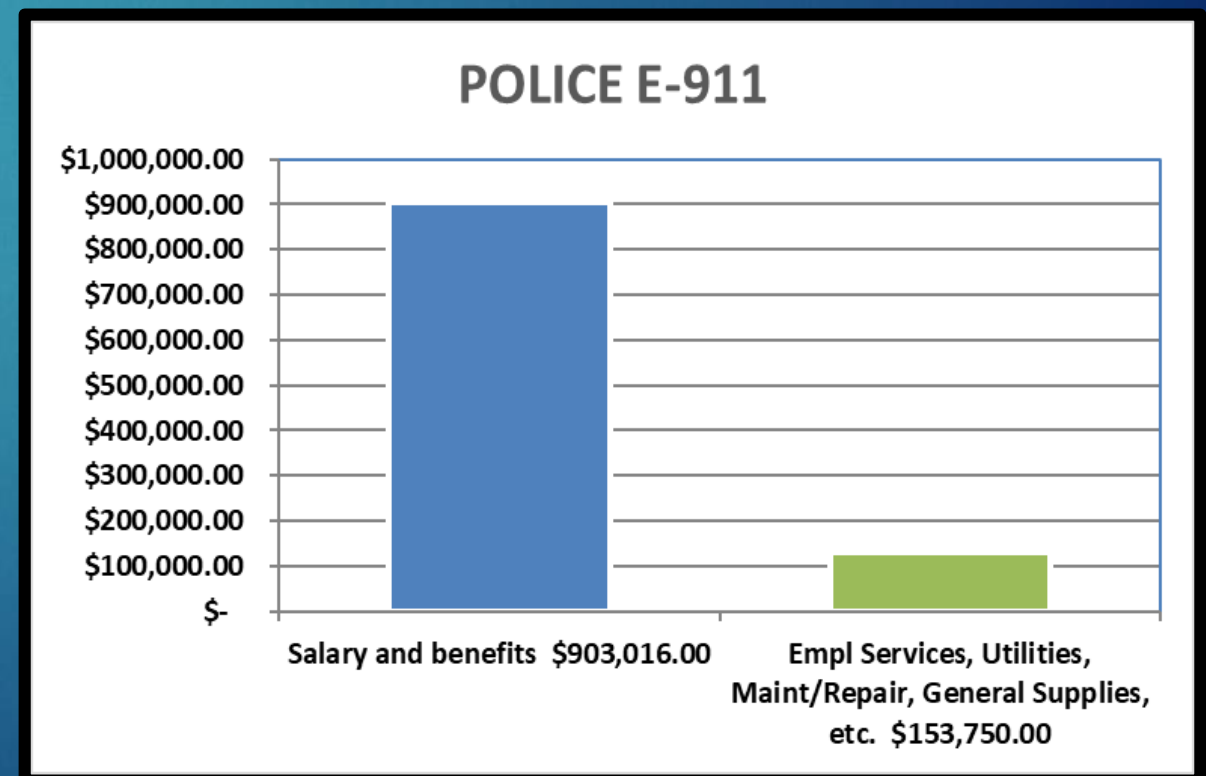

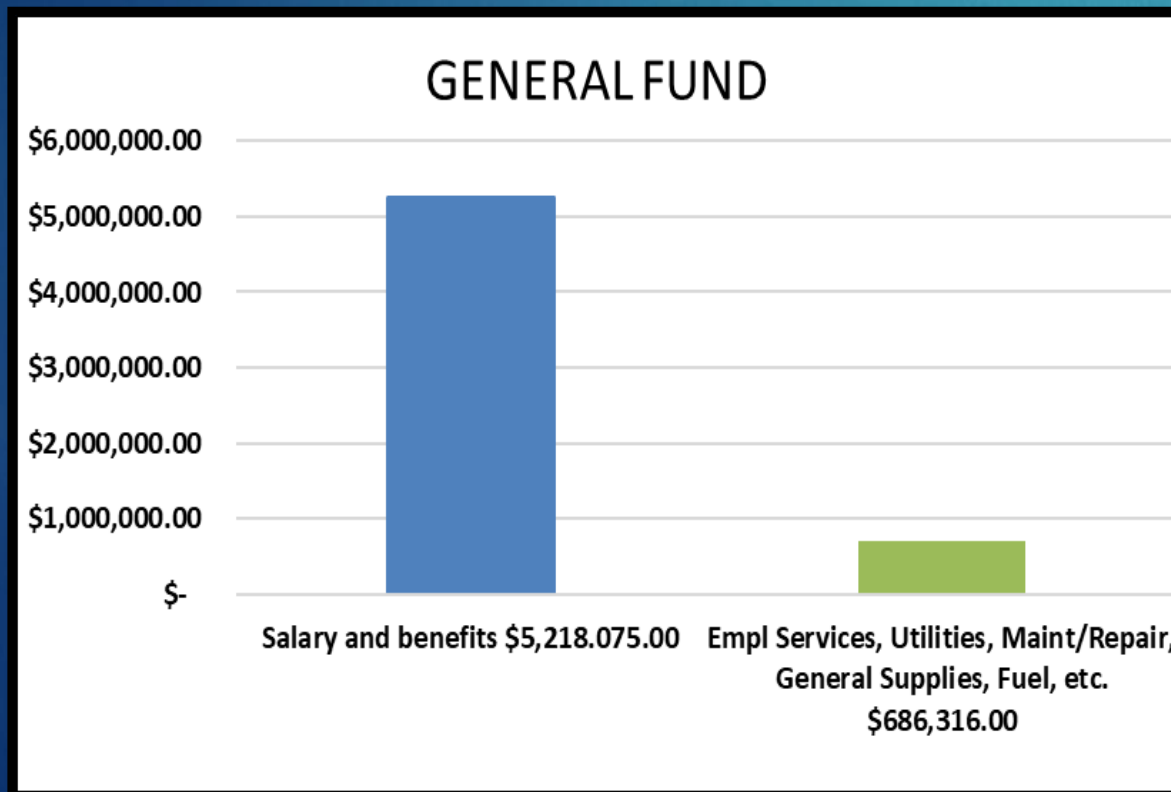

The mission of the **Bartlesville Police Department** is to *enhance the quality of life* in our community by working **cooperatively** with the public and within the framework of the United States Constitution to *enforce laws, preserve the peace, reduce fear, and provide a safe environment* for all of our **citizens**.

ADMINISTRATION (cont'd)

The Bartlesville Police Department had as many as 84 full-time employees during 2020. This included 63 commissioned officers, 14 E-911 operators, 7 civilian employees and 12 reserve officers. The civilian employees include 2 animal control officers, 1 parking enforcement/community service officer, and 4 administrative assistants in various administrative areas and the records division.

After 14 months of configuring the system and training, Bartlesville Police Department went live with a new software system, Tyler New World Public Safety, on December 8, 2020. The new Tyler system will help bring information to dispatchers and patrol officers in real time, as well as provide more accurate and timely crime statistics for required Incident Based Reporting (IBR) to the Oklahoma State Bureau of Investigation (OSBI) and to the public.

Awards

BPD Officer Brett Miquelon was recognized as the Employee Advisory Committee's Employee of the Month for December 2020. He was nominated for stopping to speak with an individual regularly seen making wooden crosses at a busy intersection in the community. Officer Miquelon stopped to offer the man water and took the time to listen to his story. Miquelon shared the man's story on social media and it was spread throughout the community. Officer Miquelon was recognized by the EAC for taking the time to show compassion towards the individual and encouraging others to help the less fortunate within our community.

Officer Brett Miquelon and City Manager Mike Bailey

East Side Substation

In a cooperative effort with Tri County Tech a substation on the east side of Bartlesville was established. The substation allows for more of a Police presence on the east side of Bartlesville as well as on campus. The increased presence decreases response times and makes it more convenient for Bartlesville residents that live or work on the east side of town to interact with police officers.

BPD East Side Substation Entrance
Located on West Side of Tri County Tech Bldg.

Chaplain Program

The Bartlesville Police Department has four Chaplains who perform multiple functions. Some of their many responsibilities include:

- Assisting in making notifications to families of members who have been seriously injured or killed and, after notification, responding to the hospital or home of the member
- Visiting sick or injured members in the hospital or at home
- Attending and participate, when requested, in funerals of active or retired members
- Serving as a resource for members who are dealing with the public during significant incidents
- Providing counseling and support for members and their families
- Being alert to the needs of members and their families
- Assisting members in defusing a conflict or incident, when requested
- Responding to significant incidents in which the Shift Supervisor believes the Chaplain could assist in accomplishing the mission of the department
- Responding to all major disasters, such as natural disasters, bombings and similar critical incidents
- Being on-call or on-duty during major demonstrations or any public function requiring the presence of a large number of department members
- Attending department and academy graduations, ceremonies and social events and offering invocations and benedictions as requested
- Participating in in-service training classes
- Training others to enhance the effectiveness of the department

Chaplain Brian Schexnayder

Chaplain Peggy Nix

Chaplain Ike Amaro

Chaplain Willie Robinson

Diversity Outreach

Bartlesville Police Department recognizes that Bartlesville is a diverse community filled with people of different beliefs, ethnicity, lifestyles and culture. Meetings with leaders from several different minority groups have been held to talk about concerns that face members of each respective group. In a continued effort to make the community a safer place for all, future meetings are planned with members of each individual minority community to facilitate open lines of communication and understanding.

Bartlesville Police Foundation

The Bartlesville Police Foundation was formed in 2019 by a group of citizen volunteers passionate about law enforcement and the Bartlesville community. It is a privately funded, unincorporated affiliate of the Bartlesville Community Foundation's 501(c)3 status and accepts tax deductible contributions. The Foundation raises funds and solicits donations for projects that cannot otherwise be funded by the Police Department budget. In 2020 the Foundation purchased 9mm handguns, drones and uniforms for the Department, and also awarded the Robb Fouts Memorial Scholarship to Elizabeth Gunnels.

Robb Fouts Memorial Scholarship

Drones

9mm Handguns

Uniforms

The mission of the Bartlesville Police Department Foundation is to be the bridge between the Bartlesville Police Department and the community to improve trust, health, safety, and education for officers and citizens.

MyPD

Thanks to the Bartlesville Police Department's "MyPD" app, citizens can be directly notified of alerts and emergency situations, and can easily send in crime tips and other information. The app makes communicating with police easier than ever. A person who has this app can click on a button and send in information on anything suspicious or crime related, or even pertaining to minor issues, such as parking issues. Citizens can take a picture of any issue and send it in and the message goes directly to police personnel for follow up. The "MyPD" app is not for emergencies. Anything needing urgent attention should be called in to 9-1-1.

Online Crime Reporting

Citizens have the option of reporting some crimes online using the City of Bartlesville website, www.cityofbartlesville.org. The online crime reporting option gives citizens a more convenient way to report certain crimes, such as lost property, theft, theft from a vehicle, vandalism, bike theft and phone harassment. Citizens who do not wish to use the online reporting option may still call the non-emergency number, 918.338.4001, to report non-emergency crimes. Citizens should continue to call 9-1-1 for all emergencies.

ADMINISTRATIVE SERVICES

The Administrative Services Division is under the direction of the Special Assistant to the Chief and includes the following divisions:

- E-911 Dispatch Center
- Records
- Animal Control
- Parking Enforcement

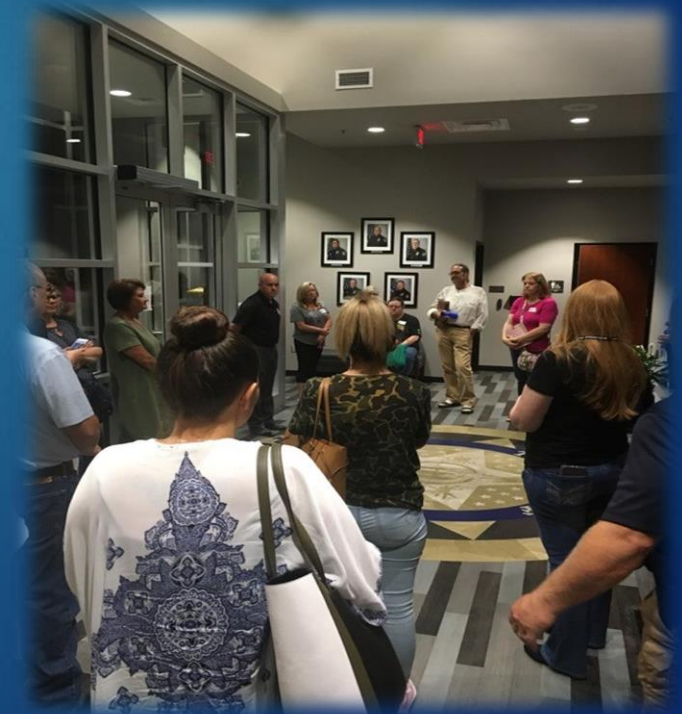

Special Assistant
to the Chief Rick Silver

Citizen's Police Academy

The Special Assistant to the Chief also oversees the Citizen's Police Academy program, an 11-week comprehensive course which allows citizens to become familiar with the operations of law enforcement through classroom and hands-on instruction in all aspects of the police department. Ultimately, it is hoped that the cooperation and understanding generated by the Citizen's Police Academy will assist in developing a trust between our citizens and police as well as help the community in its fight against crime.

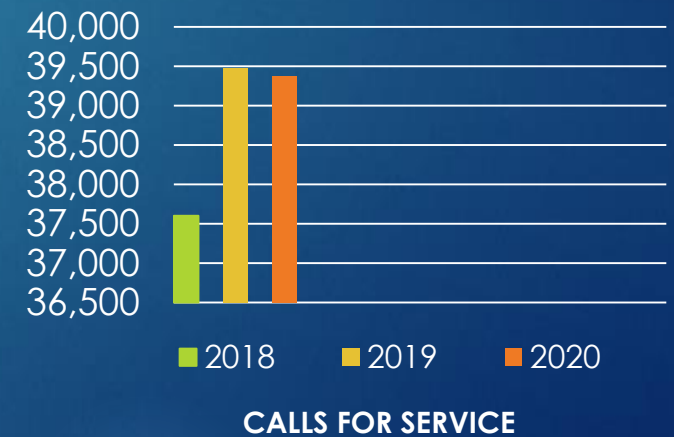

E-911 Communications

Bartlesville Police Department is the Public Safety Answering Point (PSAP) for the Enhanced 911 system. All 911 calls and most non-emergency calls in Bartlesville, Washington County and other communities within the County are answered by Bartlesville Police Department dispatchers. The 911 Center is staffed by 15 full-time Dispatchers and one part-time Dispatcher. The highly experienced staff take their jobs very seriously knowing that life and death situations often occur and they are the first line of contact in these situations. The three lead dispatchers have approximately 90 years of experience between them. In 2020 a total of 39,372 calls for service were processed, an overall **DECREASE** of .27% from 2019.

Lead Dispatchers (Standing L-R) Tammie Long, Teri Roberts and (Seated) Greg Oates

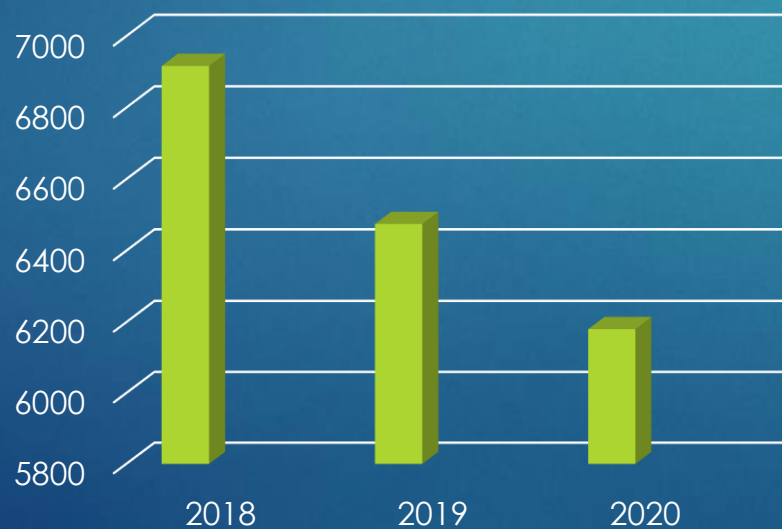

Records

Jo Tucker
Administrative Specialist

The Records Division is comprised of one full-time Records Clerk, Jo Tucker, a long-time employee with over 30 years of experience. She responds to records requests, deals with walk-in customers to City officials, as well as State and Local Government entities, on a daily basis. Jo is responsible for not only the records keeping but also ensuring that the records entered into the system are as accurate as possible. She spends a great deal of her time obtaining data for different entities and inputting data that is produced by the Patrol Division.

Incident Reports 2018-2020

Yearly 2018-2020	2018	2019	2020
Reports	6917	6475	6181

The number of incident reports **DECREASED** 6.4% between 2018 and 2019 and **DECREASED** 4.5% from 2019 to 2020.

Animal Control

Animal Control Officers
Caylan Moore & Charles Aubrey

The Bartlesville Police Department administers an animal control program for the purpose of protecting people and other animals from potentially dangerous animals, retrieving lost and abandoned animals for safe-keeping, enforcement of municipal ordinances regarding any animal within the city limits and educating the public on matters of animal safety. The Animal Control Division is comprised of two full-time ACO's, Charles Aubrey and Caylan Moore. The two work different shifts to provide as much coverage as possible for the citizens. They deal with a variety of animal control issues, mainly involving dogs and cats. However, it isn't uncommon for them to be involved in the safe recovery and removal of reptiles, birds, bats and many other creatures. They take extreme care in helping relocate these animals and reptiles to ensure they survive in their own habitat. They are often partnered in this process with the Washington County SPCA and the Wild Heart Ranch.

Parking Enforcement

The Parking Enforcement Division consists of one full-time parking enforcement officer, Ray Raley. Ray's job description was recently changed to Community Service Officer. Though his primary focus is on parking enforcement, Ray has a variety of responsibilities working for the City. He is utilized in many different aspects including Municipal Court Bailiff, directing vehicular traffic in the downtown area, directing pedestrian traffic, issuance of citations, explaining legal procedures, checking vehicle license plates, registration and other required documents; may assist and take reports on traffic accidents in the downtown area; takes precautions at an accident scene by creating detours or working traffic control to reduce the possibility of other accidents; may take reports from citizens including lobby (walk-in) reports, downtown area reports and defective equipment reports; speaks with and interacts with citizens to establish rapport and trust; and maintains and organizes field notes and other information to complete final departmental reports.

Community Service
Officer Ray Raley

PATROL DIVISION

The Patrol Division drives uniformed operations for the three patrol shifts and has the most impact on crime prevention. The Patrol Division consists of a Patrol Captain, a Patrol Administrative Captain, an Administrative Lieutenant, three shift Lieutenants, six shift Sergeants and three Corporals, one per shift; as well as approximately ten Officers per shift, depending on current manpower. Research shows proactive and effective patrol can produce a reduction in crime.

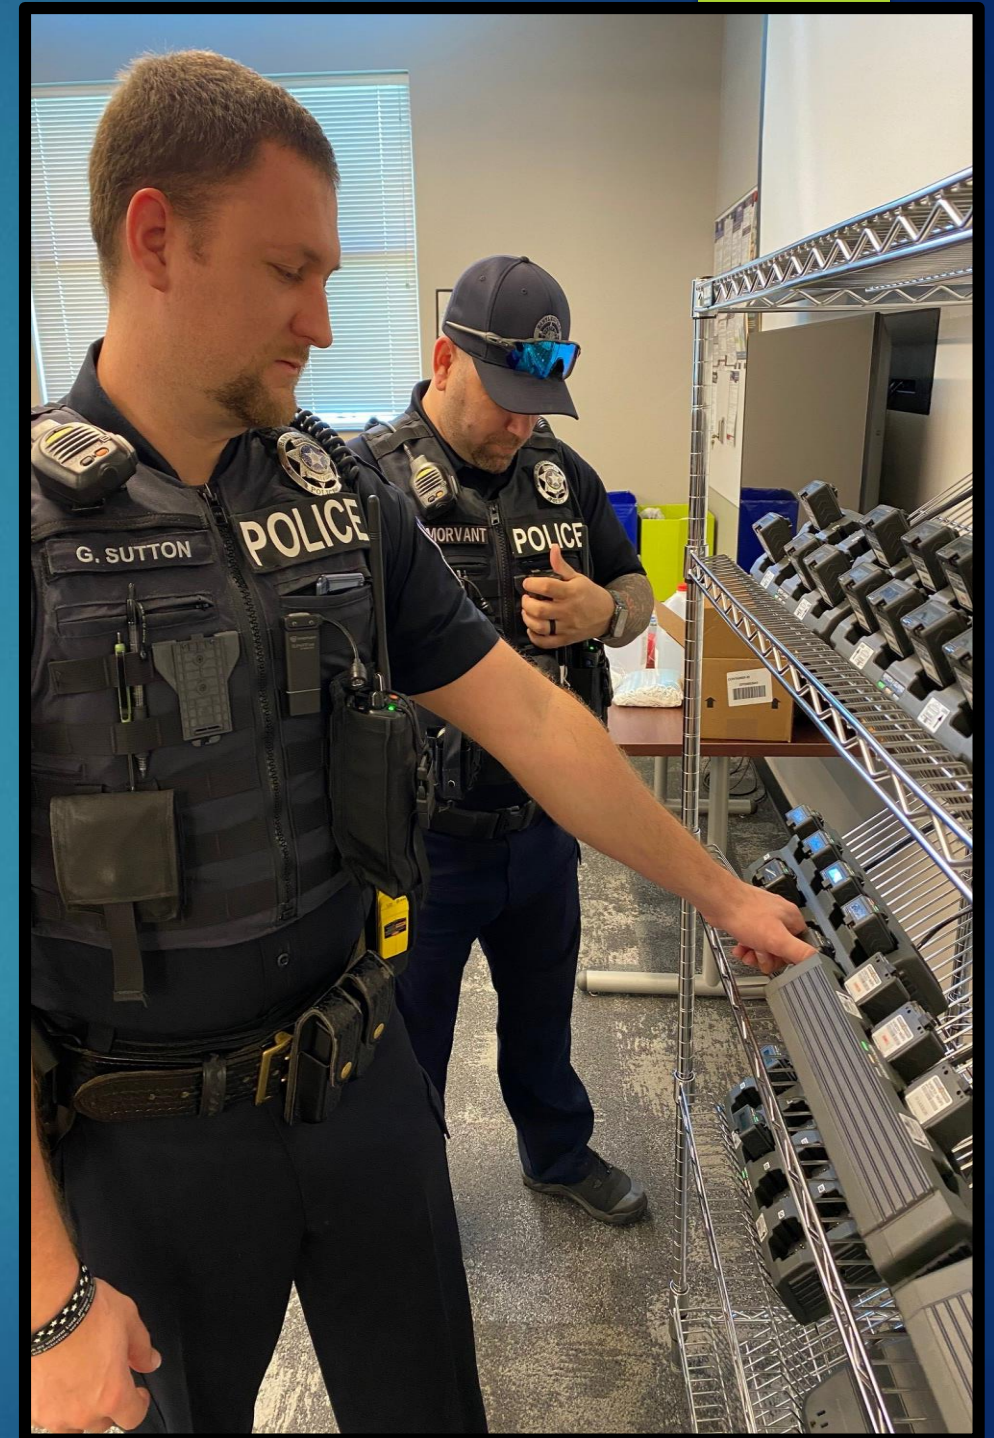

Fleet Services

The Bartlesville Police Department has 81 vehicles in its fleet. This total includes one MRAP (Mine-Resistant Ambush Protected) and ten trucks. The oldest vehicle is a 2006 Ford Ranger truck, and the newest are 2020 Dodge Ram pickups and 2020 Dodge Durangos. There are over 50 marked police vehicles. The most popular vehicle in our fleet is the Dodge Charger, soon to be replaced by the Durango. The goal of the Police Department is to purchase seven new vehicles per year that will include all of the items it takes to equip a police vehicle. The oldest and non-working vehicles are used for parts or sold at auction.

Body Cameras

A new addition to the everyday life of a Bartlesville Police Officer is the “Watch Guard” body worn cameras. BPD received a grant from the Oklahoma Municipal Assurance Group for the purchase of 10 cameras. The Bartlesville City Council approved additional funding to allow the department to order enough equipment to provide all Patrol Officers with a camera. Officers now wear a camera as part of their daily uniform. The camera is activated whenever they are on calls and traffic stops, or any other situation that may need recording. The cameras increase transparency and provide another layer of safety for the citizens as well as the officers.

Officers Sutton & Morvant

Community Policing

One of the top goals of the Patrol Division is Community Policing. Community Policing typically allows the Officers to interact with the Citizens and the Community in many ways. Unfortunately, due to COVID-19, in 2020 Officers were limited in their involvement with the many different outreach opportunities they would normally have. Some of those outreach opportunities include the annual “Shop with a Cop”, volunteering at multiple activities such as cooking at the Boys and Girls Club, coaching YMCA Football and the Youth Baseball programs, participating in the Citizen Police Academy, the Community Block Party, Neighborhood and Town Hall meetings and speaking at local events.

Mental Health

Mental Health issues have become an everyday event for Patrol Officers to deal with. During a shift an Officer may have to speak with subjects in crisis. The State has mandated that local law enforcement must transport those subjects who may be in crisis to a Mental Health stabilization center, which can be time consuming. However, Grand Lake Mental Health has partnered with the BPD and has provided iPads to allow officers to help those in crisis communicate with a mental health professional immediately. Even with the introduction of the iPads, many times the person in crisis will need to be stabilized in an effort to keep them safe from themselves and to get their medications stabilized. In this event the person in crisis is transported to an in-patient or out-patient facility.

Special Operations Team (SOT)

The Special Operations Team (SOT) is specialized in handling critical field operations where special tactical deployment methods or intense negotiations are beyond the capacity of field officers. It's comprised of a Negotiation Team and a Tactical Team and includes a Trauma Doctor, two EMTs, three Crisis Negotiators and three Snipers. The Negotiation Team is specifically trained and equipped to provide skilled verbal communications to de-escalate or effect surrender in situations where suspects have taken hostages or barricaded themselves or who are suicidal. The Tactical Team is specifically trained and equipped to resolve critical incidents that are so hazardous, complex or unusual that they may exceed the capabilities of first responders or investigators. This includes, but is not limited to hostage taking, barricaded suspects, snipers, terrorist acts, flood rescues, and other high-risk incidents. The SOT is also called upon to serve high-risk search and arrest warrants.

Honor Guard

The Honor Guard is comprised of sworn members of the Police Department who are highly motivated and maintain exceptionally high standards of appearance, conduct and

who show aptitude for ceremonial duty. They are called upon for funerals as well as the Annual Memorial Service held honoring and remembering peace officers and firefighters who have lost their lives in the line of duty.

SPECIAL OPERATIONS DIVISION

The Special Operations Division includes:

- Criminal Investigations
- Community Impact Team (CIT)
- Public Information Officer
- Traffic Unit
- Property/Evidence
- Training
- Serious Accident Response Team (SART)
- School Resource Officers
- Armory/Quartermaster/Firearms/Range
- Offender Compliance
- Reserve Officers
- Boy Scout Explorers

Criminal Investigations

In 2020 the Criminal Investigations Division (CID) was led by a Captain, a Lieutenant, and a Sergeant; and included the Detectives and the Community Impact Team. CID investigates all serious crimes, such as murder, robbery, property crimes, drug investigations, child abuse and sexual assaults. The Division was also responsible for Internal Affair investigations, Offender Compliance, Public Information and Uniform Crime Reporting (UCR).

Community Impact Team

The Bartlesville Police Department expends considerable efforts and manpower on drug enforcement, working to identify areas of high drug activity and bring violators of the state and local drug laws to prosecution. Working in partnership with concerned citizens, the department seeks to help protect neighborhoods from all crimes, including those that are drug-related.

K-9 Handler Lemmons and
K-9 Officer Duco

Corporal Ward and
K-9 Officer Borg

Public Information Officers

The department's Public Information Officer Capt. Jay Hastings and Alternate Public Information Officer Sgt. Daniel Elkins are tasked with keeping the community informed of any news, information, events and new programs within the department. A media room was established by Sgt. Elkins to facilitate a central location for press releases, briefings, as well as a department podcast.

Public Information Officer
Capt. Jay Hastings

BPD Media Room

Alt. Public Information Officer
Sgt. Daniel Elkins

Traffic Unit

The Bartlesville Police Department activated a Traffic Enforcement Unit in 2019 which consists of three officers. The Traffic Unit works various hours in an attempt to intercept violations of motorists during peak traffic hours. With alternating hours the unit has been successful in monitoring traffic on main roadways and within neighborhoods. The areas of concentration varies with consideration of schools being in session or complaints received. The public has access to make complaints through the MyPD application or by reaching out directly to the Traffic Supervisor. As traffic complaints are received the unit puts direct enforcement in the area to determine if the complaint is an ongoing problem or an isolated incident. In 2020 the unit was basically suspended due to COVID-19 safety concerns and interaction with citizens was limited to serious traffic violations and accidents.

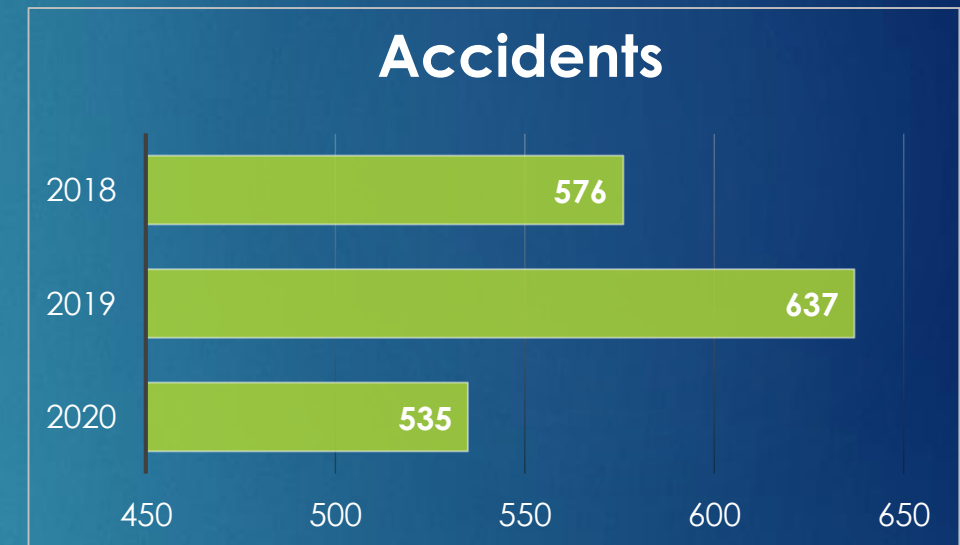

Traffic Unit Team
Officers Walthen, Lay and Miquelon

Serious Accident Response Team (SART)

The Serious Accident Response Team (SART) currently has 6 team members that rotate call-outs. When an accident occurs and is determined to be serious or fatal the shift supervisor on duty can call the SART supervisor who will call out team members to respond. Once on scene the SART takes command of the scene and will work the accident and any investigation that needs to be conducted. Team members are trained in reconstruction of an accident and piloting a drone to take photos from above the scene to further assist in the investigation and reconstruction.

Photo by Capt. Jay Hastings

There was a 10.6% **INCREASE** in the number of Accidents between 2018 and 2019 and a 16% **DECREASE** between 2019 and 2020.

School Resource Officers

In 2020 the Bartlesville Police Department (BPD) had three School Resource Officers assigned to the Bartlesville Public Schools (BPS). Expansion of the School Resource Officer program was made possible through a partnership between the City of Bartlesville and the Bartlesville Public Schools. BPS has approximately 6,000 students within the District. Officer Chris Bullen serves the two middle schools and the six elementary schools. Officer Korie Plummer is assigned to the Bartlesville High School. The School Resource Officers fill a number of roles in the specialized assignment. They are there to help keep the students and the staff safe, keep the peace, and enforce laws when necessary. They strive to serve as positive role models and mentors. A high priority of the program is building rapport and positive relationships with students from an early age all the way through high school. We hope that by providing the positive interaction with students they will have a better understanding of police officers and help them with their interactions with law enforcement, not only when they are young, but also when they grow into adults. When time allows and opportunities arise, the officers can also spend time in a classroom educating students about various things that can include personal safety, roles of law enforcement, opportunities in the law enforcement field, and how we use our education in our careers.

Training

In 2020 the Training Division, headed up by Lieutenant Troy Newell, was challenged with the ongoing pandemic. While utilizing safety protocols, social distancing and restricting class size, the Training Division was still able to host over twenty-four (24) classes. This allowed the Department to continue providing quality training to our agency as well as other agencies in surrounding counties and states. Among those training classes were:

- FBI LEEDA Command Leadership
- National School Resource Officer
- Glock Armorer
- Basic and Complex Investigations
- First Line Supervision
- Advanced Roadside Interviews
- K-9 Operations
- Taser
- Background Investigations

Police Reserves

The Bartlesville Police Reserve program is a vital addition to the Department. Bartlesville Police Department put on a Reserve Academy and after 7 months of classes and training graduated a class in February 2020. There were 9 new members for Bartlesville Police Department, 4 for Owasso Police Department and 1 for Washington County Sheriff's Office. This brings the total Reserve Unit up to 11 members. Member's of the Unit are available to assist the Police Department in it's operations as well as provide manpower to handle special events such as parades and runs. The Reserve Unit provided a total of 1220 hours of service to the community. That included 743 hours of ride along time, 183 hours for events and 190 hours mental health transports. As the Unit moves into 2021, additional training will allow Reserves to be better able to assist with Patrol.

Police Reserve Unit Graduation

Police Explorers

Explorer Training Session

The Bartlesville Police Explorers Program offers youth ages 14 to 21 the opportunity to learn about a career in law enforcement. The program offers an in-depth, first-hand experience into the field of law enforcement. It also allows for the ability to provide a service to the community and develop skills that they can use in life. Leadership and service are emphasized for learning and growth opportunities. 2019 saw a building time for the program and then COVID-19 hit in 2020. Due to safety concerns the program was put on hold. The unit is going through a rebuilding phase and plans are being made to coordinate with the new group being formed in Osage County.
